

# IgniteUS

March 15-17, 2024  
Camp Hanes - King, NC

- **What is my role as an Adult Leader?**

IgniteUS is a retreat planned and led by our Conference Council on Youth Ministries. Meaning, once you bring your group to IgniteUS, you get to relax and hang out with your youth! Everything is planned and led for you so you as an Adult Leader are free to enjoy the weekend having fun with your youth and getting to know them better. You are still responsible for making sure your youth follow the camp rules and know where they are, but other than that - have fun!

- **What are the worship sessions like?**

CCYM works to create engaging worship sessions. We play an ice breaker game, sing some worship songs, experience prayer and scripture, and explore our theme in creative ways. They usually last around 90 minutes and involve movement and time for reflection groups to process the message together.

- **When do I sign up for free time activities?**

The activities available at Camp Hanes are first come, first served - there are many different activities to choose from that will be available during free time. The recreation tournaments and other activities planned by CCYM during free time will have sign up sheets in the worship space for youth to sign up for.

- **How is lodging configured?**

There are two types of lodging offered for 2024: Traditional Lodging & Private Group Lodging. The difference is with Traditional Lodging you may share a cabin with another group of same-gendered youth/adults. Check with Shannon to see which lodging option fits your group's needs best.
