A tie vote in the case of appeal shall sustain the chairperson. When any member raises a point of order, the member shall cite, by number, the rule alleged to have been violated. The chairperson shall have the right to recess a session of the conference at any time in the chairperson's discretion and to reconvene at such a time as the chairperson shall announce, with only members, authorized personnel, and authorized guests permitted to attend such a session following recess.

Rule 2. Frequency and Length of Speeches: No member shall speak a second time on the same question if any member who has not spoken desires the floor, no more than twice on the same subject under the same motion, and no longer than three minutes unless the member's time shall be extended by the conference, except as provided in Rule 24. If such a limitation is set, the chairperson may direct the coordinator of calendar to allocate the total time among speakers for and against the question by such means as the coordinator deems appropriate, consistent with the provisions of Rule 2, and provided that the previous question may be ordered at any time as specified in Rule 20.

The count shall be made by tellers appointed by the conference secretary and shall include the votes of members in the portions of the voting bar separate from the main assembly. Rule 6. Division of Question: Before a vote is taken, any member shall have the right to call for a division of any question, if it is subject to such division as the member indicates. Rule 15. Consent Calendar: All petitions from conference entities printed in the booklet of *Program and Reports*, with the exception of the proposals of the Council on Finance and Administration concerning conference funds and financial policies, and upon recommendation of the petitions committee, shall constitute the consent calendar and shall be so designated in that booklet. At the request of any member, the conference may, by majority vote, lift any item from the consent calendar for consideration in plenary session. All items not lifted from the consent calendar shall be acted upon at one time in plenary session at such time as the chairperson shall direct. The proposals of the Council on Finance and Administration related to conference funds and financial policies, petitions which have been lifted from the consent calendar, and other petitions conforming to Rule 8 shall be presented for conference action in plenary session.

Rule 16. Undebatable Motions: The following motions shall be acted upon without debate:

- a. To adjourn, when unqualified, except to adjourn the conference finally.
- b. To suspend the rules.
- c. To lay on the table, except as provided in Rule 24.
- d. To take from the table.
- e. To call for the previous question.
- f. To reconsider a non-debatable motion.
- g. To limit or extend the limits of debate.
- h. To call for the order of the day.

Rule 17. Precedence of Secondary Motions: If any one or more of the following motions shall be made when one or more other motions are pending, the order of their precedence in relation to one another shall be in the following order:

- a. To fix the time to which the conference shall adjourn, which motion is subject to amendment or may be laid on the table.
- b. To adjourn.
- c. To take recess.
- d. To lay on the table.
- e. To order the previous question.
- f. To limit or extend the limits of debate.
- g. To postpone to a given time.
- h. To commit or refer.
- i. To amend or substitute (one amendment being allowed to an amendment).
- j. To postpone indefinitely.

Rule 18. Referring Reports: The conference may refer any report, recommendation, or resolution, or any part thereof, which is before the conference for consideration, or any amendment offered thereto.

Rule 19. Consideration of Substitutes: A substitute motion may be offered for any report, recommendation, or resolution under consideration. The conference shall then first perfect the original, and then perfect the substitute. The question shall then be put first on the motion to substitute, followed by the motion to adopt the report, recommendation, or resolution.

Rule 20. Previous Question: When any member moves the previous question (that is, that the vote now be taken on the motion or motions pending), the member shall indicate to what he or she intends it to apply, if any secondary motion or motions are also pending. If the member does not so indicate, it shall apply only to the immediately pending question. This motion shall be taken without debate and shall require a two-thirds vote of those present and voting for its adoption.

Rule 21. When Motion to Limit or Stop Debate Not in Order: When the conference is considering a petition or other motion, no member, immediately after discussing the pending question and before relinquishing the floor, shall make a motion which, if adopted, would limit or stop debate.

Rule 22. Reconsideration: A motion to reconsider an action of the conference shall be in order at any time if offered by a member who voted with the prevailing side. If the motion it is proposed to reconsider is non-debatable, the motion to reconsider may not be debated (Rule 16).

Rule 23. Calendar: The conference secretary, in consultation with the secretarial staff, shall keep a chronological record of orders of the day, reports, and other business items that will be adopted by the conference as its agenda.

Rule 24. Speakers For and Against: Except for undebatable motions, a question under consideration shall not be adopted until the presiding officer has given opportunity for at least two speeches for and two speeches against said proposal, alternately, so long as any member desires to speak on the other side thereof, provided that the right is claimed before the person presenting the proposal is recognized to close debate. After three speeches for and three speeches against the motion, or when (and after) the previous question has been ordered, the vote on the motion shall then be taken; provided, however, that the person presenting the proposal shall be entitled to speak before the vote is taken. This right to close debate shall prevail in like manner to a limit of two minutes when a vote is about to be taken on a motion to amend, to substitute, to postpone, to refer, or to lay on the table or any other motion whose adoption would vitally affect the matter under consideration.

Rule 25. Consideration of Agenda Items: Items on the agenda of the conference shall be taken up on the day scheduled. Any calendar items for a certain day that are not received on that day or are not completed before adjournment shall not take precedence over calendar items for the day to which said item or items have been postponed. After the calendar items for that day have been completed, postponed calendar items shall be considered.

Rule 26. Motion to Adjourn: The motion to adjourn, when unqualified, shall be taken without debate and shall always be in order, except:

- a. When a member has the floor.
- b. When a question is actually being put, or a vote is being taken, and before it is finally decided.
- c. When the previous question has been ordered and action thereunder is pending.
- d. When a motion to adjourn has been lost and no business or debate has intervened.
- e. When a motion to fix the time to which the conference shall adjourn is pending. The foregoing does not apply to a motion for final adjournment of the conference.

Rule 27. Between sessions of the Annual Conference, the Connectional Table shall be empowered to complete any unfinished or emergent business of the Annual Conference that does not violate *The Book of Discipline* (2016), Judicial Council rulings, and/or Robert's Rules of Order.

D. AUTHORITY, SUSPENDING, AMENDING, AND SUPPLEMENTING:

Rule 28. Authority: The plan of organization and rules of order of the annual session of the conference shall be the plan of organization and rules of order of the preceding annual session until and unless they have been amended or modified by the action of the annual conference.

Rule 29. Suspension: The operation of any of the provisions of these rules of order may be suspended at any time by a two-thirds vote of the conference, except as may otherwise be provided by Robert's Rules of Order.

Rule 30. Amendments: The plan of organization and rules of order may be amended or changed by a two-thirds vote of the conference, provided that the proposed change or amendment has originated in the Conference Committee on Organization and Rules and has been presented to the conference in writing or, if from a source other than this committee, has been presented to the conference in writing and referred to this committee. As identified in the Plan of Organization (E1), the number of districts may not be amended in the last business session of the Annual Conference meeting. Changes and amendments printed in the booklet of *Program and Reports* shall be in order for consideration by the conference at any time during the annual session, provided that notice of such shall have been given in writing to the Conference Committee on Organization and Rules prior to the opening of conference (see Rule 11). Otherwise, no proposed change or amendment shall be submitted to vote until and unless one day has elapsed from the initial presentation to the conference.

Rule 31. Supplemental Authority: In any parliamentary situation not clearly covered by the plan of organization and rules of order, the meeting of the annual conference shall be governed in its actions by the current edition of Robert's Rules of Order.

Rule 32. Telephonic or Virtual Meetings of the Annual Conference:

- a. Annual Conference Session. Upon a determination of exigent circumstances (such as war, civil emergency, public health emergency, natural disaster, terrorism, economic disaster, or similar events), in the discretion of the Bishop and majority of the cabinet, any regular and/or specially called meetings of the Annual Conference may be held telephonically or virtually, including both the general session or the clergy session of the Annual Conference.
- b. Notification of such meetings shall be subject to the requirements for Annual Conference meetings specified in *The Book of Discipline*. The notice of an electronic meeting must include an adequate description of how to participate in it (for example, the telephone number to call for a teleconference must be provided, URL, etc.).
- c. The conferencing platform must ensure that all people participating in the meeting can hear each other, can vote (if so entitled) and can have their attendance and vote recorded.
- d. The Bishop and a majority of the cabinet shall set the rules and procedures for credentialing, parliamentary process, balloting and voting and shall publish those rules at least twenty-one (21) days prior to the session.
- e. Conference Boards, Councils, Committees, and Teams may also conduct telephonic or virtual meetings, unless their governing documents expressly provide otherwise. If any such bodies have already adopted rules regarding such meetings, their own rules and procedures shall control but they must, at a minimum, provide adequate notice to participants of the meeting(s) and agenda and allow all participants to participate, hear, speak, and vote. This rule shall in no way apply to separately incorporated entities governed by the North Carolina Non-Profit Corporation Act or the North Carolina Limited Liability Company Act.
