Accordingly, the Church hereby establishes an accountable reimbursement policy, pursuant to IRS regulations and upon the following terms and conditions:

- The pastor/staff person shall be reimbursed from the reimbursement account for his/her ordinary, necessary, and reasonable business expenses incurred in the conduct of the ministry for, and on behalf of, the Church. The following expenses are budgeted in this accountable reimbursement policy, as suggested for the work needs of the pastor/staff person.
- 2. The committee on SPR/PPR chairperson, Church payroll person, or treasurer, (as designated by the Church) must be given an adequate accounting within 60 days after the expense is paid or incurred. The adequate accounting shall include, but not be limited to, a statement of expense, account-book diary or other similar record showing the amount, date, place, business purpose, and business relationship involved. Such documentation shall include receipts for all items of \$75 or more (a church may set a lower amount). Appropriate documents, cash receipts, canceled checks, credit card sales slips, and contemporaneous records (for those non-receipt expenses less than \$75), must be attached to each expense report. A log of total miles per day and enumeration of their general purpose shall suffice to substantiate automobile mileage, but under no circumstances will commuting mileage between the pastor's home and Church office be reimbursed. Copies of the documentary evidence and expense report shall be retained by both the pastor/staff person and the Church.

The committee on SPR chairperson (or treasurer) shall be responsible for approving the expense. The committee on SPR chairperson (or treasurer) shall exercise his/her discretion regarding the adequacy of the substantiation and the appropriateness of any reimbursement. Questions arising in these areas will be resolved by the SPR chairperson (or treasurer), subject to the review and approval of the committee on SPR/committee on finance.

3. It is the intention of this policy that reimbursements will be paid <u>after</u> the expense has been incurred by the pastor/staff person. However, should circumstances require payment of an advance for any particular anticipated expense, the pastor/staff person must account for the expense as described above and return any excess reimbursement within 120 days after the expense is paid or incurred. Any excess advance must be returned to the Church before any additional advances are provided to the pastor/staff person.

- 4. Budgeted amounts not spent must not be paid as a salary bonus or other personal compensation. If such payments are made, the entire amount of the accountable reimbursement policy account will be taxable income to the pastor/staff person. The Church will be required by law to report that amount as part of the pastor's/staff person's compensation. Disposition of any unspent balances remains at the discretion of the committee on finance/the council/charge conference in building the budget for the next Church year.
- 5. It is understood by the various parties that all elements of this resolution must be carefully followed to prevent the Church from being required by regulation to include all reimbursements as income on the pastor's/staff person's Form W-2. The primary responsibility in this regard is on the pastor/staff person to report and adequately account for his or her expenses to the committee on SPR chairperson, church payroll person, and/or treasurer.

^{*}The total listed in Item K must be the same as the total reimbursement amount set forth in the first paragraph of the policy. Church council action is required for an increase to Item "K" (Total). To allow for the pastor/staff person's spending discretion, only Item "K" is necessary to be reported as a line item in the charge conference approved budget and in the policy document. Circumstances dictate that the above expenses will vary from church to church and from time to time.
